2020 and 2021, so far, have been challenging as well as rewarding due to the pandemic. I was able to overcome technical glitches and had three zoom meetings, September, December, February and a virtual raffle in March. I am hopeful that soon we can meet socialize and celebrate with our members.

Thank you for all of the thoughtful generous donations to the Women at POWER.

Rose Ann's Review Delta Kappa Gamma Theta Chapter 2020-2021

Dear members of DKG,
Thank You for making another wonderful holiday for the Women of POWER. It's a wonderful thing you do every year it was even more because you managed to do it despite all of the pandemic restrictions. The gifts you provided were even more of a lift than usual, because the women had been confined to the house for months with no family visits. They were so glad to be remembered. Your longtime support of POWER means a lot to all of us.

Karen
Director of Volunteers

Thank you to Deb and Sy Beozzo for organizing, packing and delivering the gifts to POWER.

Ellen Zissis' first grade class honored Muriel Frieler Rozmus and Frances Levin's Birthday with hand made cards from each student. They brought smiles and well wishes to each of these ladies. Muriel thanked the students by sending them a handmade book mark.

Please let me know when a member is celebrating a special birthday or event so that our members can help them celebrate.

What a beautiful way to remember a loved one or special friend by sending a memorial or special tribute for a birthday, anniversary or special occasion! Monies from this are contributed to Theta's Recruitment Grant Fund. Please send a check to Mary Ellen Barringer made out to Delta Kappa Gamma.
